

THE DIRECTOR OF
CENTRAL INTELLIGENCE

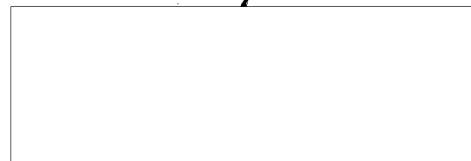

Security Evaluation Office

ER-2531X-88
16 June 1988

NOTE FOR: John Helgerson
D/OCA

At your next staff meeting, I would be appreciative if you would ask your officers to include us on distribution of Congressional correspondence of a counter-intelligence and security nature. I have also asked [redacted] to be on a similar lookout with regard to material they distribute through the Executive Secretariat. Thank you for your assistance.
